UMAPATHI M

UX UI DESIGNER

About me

Passionate about using design thinking to solve complex problems and deliver exceptional user experiences. Committed to delivering visually appealing digital experiences & user-centered.

Experience

Freelance UX UI Designer @ MyElib

October 2023 - December 2023

I worked as a UX UI designer for a startup e-book company, where I conducted research and created UI screens for the mobile app.

Graphic Designer @ iTrend Solution

January 2023 - March 2023

I worked as a graphic designer and product photographer for US based e-commerce platforms, creating amazon listing images.

Project

Mindwell - Smart Watch App UI Design

Smartwatch companion for emotional balance, offering mood tracking, meditation, yoga, and sleep monitoring.

Education

Majored UX UI Design

School of Techies

May 2023 - October 2023

Bachelor of Information Technology

Sri Manakula Vinayagar Engineering College

2019 - 2023
